PROPOSED CRICKET REFORMS. The controversy which arose as the end of the last cricket season in England about long scores and drawn metches has apparently made itself felt in the suggested reforms of the laws drawn up by the Marylebone Cricket Club. These reforms should be beneficial, it is thought by competent judges. But seeing that the Marylebone Club Committee is somewhat slow, as a rule, in its reform movements, the auggestions as to the increased number of balls to an over, the option of the follow-on, and the increased number of rans for a follow-on are not a little startling.
